

"Making Sense of Melanoma"

Raymond Isakov, M.D.
Wednesday, September 9, 2009
Noon to 1 p.m.
Bunts Auditorium

This activity has been approved for *AMA PRA Category 1 Credit*™.

Abstract: This presentation will describe ways to prevent melanoma, discuss the signs and symptoms of melanoma and identify the key treatments for melanoma.

Bio: Raymond Isakov, MD, is on Staff in Cleveland Clinic's Department of Plastic Surgery. Dr. Isakov most recently was affiliated with a plastic surgery practice in Austin, Texas. A graduate of Orange High School in suburban Cleveland, Dr. Isakov received his Bachelor's degree from Ohio University and his medical degree at the Chicago Medical School. He completed a general surgery internship and residency at Cleveland Clinic as well as a two-year fellowship in Plastic and Reconstructive Surgery. He completed an additional 6-month aesthetic surgery fellowship at the Zeeba Clinic in Cleveland. His specialty interests are cosmetic procedures and breast reconstruction surgery. He will practice on the Main Campus, in Solon and Beachwood.
